

### What is CBeX?

The days when all trade-related documents across the borders are filed by hard copy and transacted via mail or fax are numbered!

CBeX, a value-added service developed by Dagang Net Technologies Sdn Bhd (DNT), now enables the secure exchange of trade-related documents electronically between you and your business partners overseas.

CBeX is a must-have tool that makes it easier and more efficient to do business in a global marketplace. Its cargo tracking facility also keeps you in touch with the status of your shipments.

CBeX can be used for exchanging trade documents between Malaysia and a growing list of countries that are our key trading partners such as China, Chinese Taipei, Hong Kong, Indonesia, Japan, Korea, Macau, Singapore, Thailand and others.

Trade documents that can be exchanged using CBeX include:

1. Delivery Order
  2. Commercial Invoice
  3. Packing List
  4. Bill of Lading
  5. Airway Bill
  6. Export Declaration
  7. Booking/Shipping Note or Integrated Export Document
  8. Quotation
- ...and many more!

### How does CBeX benefit me?

CBeX was developed with your business needs in mind. The key benefits include:

1. Data re-usability - CBeX has multiple usage such as data population and uploading. Your export declaration automatically becomes an import declaration for your business partner and vice-versa when sent using CBeX.
2. Increased efficiency and productivity - By eliminating re-keying in, data entry errors and turnaround time for transactions are significantly reduced.

CBeX is a secure and high performance e-business infrastructure that is your gateway to global trade.

### How can I start using CBeX?

- Step 1 Talk to your business partners overseas and make a mutual decision to sign up for CBeX.
- Step 2 Obtain the registration form via [www.dagangnet.com](http://www.dagangnet.com) or from any Kedai EDI near you. Fill in the required information and send the original forms to Dagang Net Technologies. Once your company's registration is verified, you will be notified.
- Step 3 Start sending your trade documents using CBeX and immediately enjoy the benefits!
