

Dear Valued Customers,

### **Introduction of SIRIM ePermit Online Payment (eOP)**

In keeping up with technology growth of online payment and acquire the advantages it brings, **SIRIM QAS International Sdn. Bhd** together with **Dagang Net Technologies Sdn. Bhd (DNT)** are introducing ePermit Online Payment (eOP), an enhanced online permit application implemented within the ePermit web (<http://epermit.dagangnet.com/>) itself. This new feature will enable users to pay the Import Permit processing fee, as well as Release Letter processing fee through online banking platform (FPX).

eOP will start operating on 1<sup>st</sup> April 2017 where it will replace the current monthly billing services for approved import permit's processing fees for communications and multimedia, and hybrid products.

With this implementation, users of ePermit system applying for import permit under SIRIM QAS International as the OGA can obtain their approved Import Permit or Release Letter after successfully paying relevant fees and charges through online banking. This payment method is similar with payment method used for certification (Type Approval / Special Approval/ Self Labelling Program) services at eComM system (<https://ecom.sirim.my/>).

This implementation of eOP will cover 2 types of different users:

- 1) Dagang Net current ePermit SIRIM users
  - Permit payments are done after receiving acknowledgement by customs status and the payment will be done through ePermit
- 2) Walk in customers
  - First time users will have to register with Dagang Net at <http://reg.dagangnet.com> . Upon confirmation and payment of registration, users will be able to apply and complete the permit application via ePermit system. Walk in customers are bounded by exclusive limitation and rules set by SIRIM.

The total fee for each permit processing fee is RM 30.20 whereby the fee for SIRIM permit processing fee remains at RM 20.00 + 6% GST. The FPX transaction fees of RM 2.00 + 6% GST will be imposed for every transaction, with a maximum of five (5) Import Permits/Release Letters payable for every payment transaction. As such, customers are encouraged to plan their payments prudently. Below table depicts the breakdown of the charges:

Organization	Item	Payment Method	
		eOP (RM)	Bill** (RM)
SIRIM QAS International	Permit Processing Fee	20.00	-
	GST 6%	1.20	
DNT	Walk-in Registration (1 Time Fee)	100.00	-

Subtotal		23.32 (rounding 23.30)	6.89 (rounding 6.90)
<b>TOTAL</b>		RM 30.20	

\*FPX Transaction fee shall be noted in payment receipt and bank statement

\*\*Monthly bill for permit applications will be sent as per current practice from Dagang Net

Participating banks in this online payment platform are as below. All customers are required to have either a personal account (B2B1) or a corporate account (B2C) with one of these banks in order to make payment transaction in eOP.

With the introduction of eOP, the overall cycle of permit issuance shall be improved, and it shall benefit both customers and agencies with its hassle free and paperless payment method, not to mention time-saving and cost-saving where logistic costs are reduced. It also provides a transparent environment as well as helps to reduce the number of debtors.

**Implementation of Release Letter for Importation of Non-communication and  
Multimedia/ Non-hybrid Product**

As part of the implementation of Certification on Hybrid Products, importers are required to declare whether the imported product is a hybrid or non hybrid. Release Letter is required for products that fall under non-communication and multimedia/non-hybrid product.

Release letter only applies to the importation of product that does not required to be certified to the Malaysian Standards or International Standards or Technical Standards or Technical Codes or Technical Specification or Technical Declaration which are deemed fit to the import and in accordance with the Communications and Multimedia Act 1998, its subsidiary legislations, statutory requirements and established rules and procedure.

The release letter will be valid for 1 year and can be applied through ePermit.

Guidelines for the system will be made available upon login to the system.

Thank You.
