Dear Valued Customers,

### **CESSATION OF DAGANG NET 'E-DECLARE' APPLICATION FROM THE MARKET**

We, at Dagang Net Technologies Sdn Bhd (Dagang Net) are always thriving to offer the best solution to the customers. As you are fully aware that our declaration software 'e-Declare' has been in the market since 2003 and contributed a lot in managing your daily operation works related to Customs matters. We have taken due consideration and after careful thought has decided to discontinue the application from **1<sup>st</sup> August 2021** as this product is no longer in support due to the technological advancement that has taken place till to date.

The newly upgraded version of Customs declaration software namely ALDec is currently available and already being used by many of our customers. ALDec would certainly provide you with totally new experience of doing your business, be it during the document preparation or during the submission and the application support when you hit with some problems. It comes with new and enhanced features to suit industry's practices as well as authority requirements in the fast-changing environment. The key features are listed as below.

- ✓ Capability for seamless integration with your in-house system
- ✓ Data entry module
- ✓ Excel format upload template
- ✓ Audit trail
- ✓ Alert mechanism
- ✓ Single platform for multiple declaration modules
- ✓ Dashboard view
- ✓ Work from home

There are few options to upgrade from eDeclare to either ALDEC or other front-end applications provided by our business partners of your choice. Please contact our Careline at 1300 133 133 or email to [careline@dagangnet.com](mailto:careline@dagangnet.com) should you need further information about ALDEC or solutions provided by our business partners.

We thank you for your continuous support.
