Subject: Notice Of Interruption Of Power Supply On Custom 11kV Substation (CUS).

Dear Sir/Madam,

Please be informed that Electrical Power System Engineering Division will be carrying out the Annual Preventive Maintenance at Custom 11kV Substation (CUS) as scheduled below:-

Date : 12 Jul 2020
Time : 10:00 AM until 5:00 PM
Location : Custom 11kV Substation (CUS)
Impact : 1. Custom Complex (FCZ)
2. Cargo Entrance & Exit Bay
3. K8 Building

Since LV supply feed to the affected area is under your supervision, we appreciate if you could disseminate the information to the respective consumer/customer for their preparation. For further information kindly contact Engineering Control Centre (ECC) at 03-87767777/69398 or KLIA EPS Control Centre (KECC) at 03-87767555. Your co-operation on the above matter is very much appreciated and we regret for the inconvenience caused. You may also communicate with En Nekmat Md Lazi at 0196632169/nekmat@malaysiaairports.com.my if you need further information. For further information kindly contact ECC at 03-8776 7777 or Nekmat Md Lazi at 019 6632169.

Your cooperation is very much appreciated. We apologise for any inconvenience caused.

Yours sincerely,
MA Sepang
