We kindly refer to our announcement ([Announcement Myanmar's Gateway Error](#)) published on 24 November 2021 in MITI's portal and e-PCO system.

Please be informed that we have received updates from Myanmar's officials that they **have successfully rectified the technical issues**, and ASEAN Member States (AMS) may now resume the exchange of the ATIGA e-Form D to/or from Myanmar (for port of Yangon and Thilawa).

In this regard, starting from **1 December 2021**, all applications of PCO under the ATIGA scheme to Myanmar will resume back to normal where the **ASW consent box will be automatically ticked and locked** to port Yangon (MMRGN) and Thilawa (MMTLA) to enable the exchange of the ATIGA e-Form D. Exportation to other ports will remain via paper-based ATIGA Form D with electronically affixed signature and seal, until the remaining ports in Myanmar are able to accept ATIGA e-Form D.
