TO ALL PORT USERS

FULL IMPLEMENTATION OF THE MALAYSIA MARITIME SINGLE WINDOW (MMSW) SYSTEM AT PORT KLANG

The above subject is duly referred.

We are pleased to inform that the MMSW System comprising the User Registration module, Ship Registration module, Ship Call Number (SCN) Generation module as well as the Ship Arrival and Departure module underwent parallel testing and live implementation with selected shipping lines from 21 April 2024 at Port Klang. In this regard, **effective 10 June 2024, all transactions involving ship arrival and departure at Port Klang will be carried out fully using the MMSW System only and manual transactions will no longer be permitted.
