DAGANG NET SERVICES AND SUBSCRIBERS AGREEMENT

GENERAL

1. The terms and conditions of this Agreement are binding on all Subscribers and a Subscriber shall also be deemed to have contracted with all other Subscribers and are bound by the terms and conditions of this Agreement.

2. This Agreement, including the Schedules, contains the complete and exclusive understanding of the parties with respect to the subject matter hereof and becomes effective ("Effective Date"), when signed and returned (the receipt of which must have been acknowledged by DAGANG NET TECHNOLOGIES), to DAGANG NET TECHNOLOGIES by the Subscriber.

3. All prior representations whether made orally, in writing or electronically are hereby superseded. No waiver or amendment of any of the provisions hereof will be binding unless in writing and signed by a duly authorised representative of DAGANG NET TECHNOLOGIES. Neither the course of conduct between the parties nor trade usage will act to modify or alter the provisions of this Agreement.

4. The terms and conditions in this Agreement may be amended by DAGANG NET TECHNOLOGIES from time to time by prior written notice to the Subscriber.

5. If any provision of this Agreement is held to be invalid or unenforceable for any reason whatsoever, such provision is deemed deleted and this Agreement shall remain valid and enforceable apart from such provision.

DEFINITIONS AND INTERPRETATION

6. In this Agreement, except where inconsistent with the subject or context:

a. "DAGANG NET TECHNOLOGIES" means Dagang Net Technologies Sdn Bhd (177974-T). A company incorporated in Malaysia and having its office address at Tower 3, Avenue 5 The Horizon, Bangsar South No.8, Jalan Kerinchi, 59200 Kuala Lumpur.

b. "EDI Messages" means data structured in accordance with an agreed international standard in a computer readable format and transmitted by electronic, optical or wireless means through the Services provided by DAGANG NET TECHNOLOGIES' network or any services provided by any third party for the transmission, receipt and retrieval of Messages in connection with the Subscriber's trading activities.

c. "Messages" means both EDI Messages and Other Messages.

d. "Other Messages" means unstructured data electronically transmitted through the Services provided by DAGANG NET TECHNOLOGIES' network or any services provided by any third party for the transmission, receipt and retrieval of Messages in connection with the Subscriber's trading activities and shall include but not be limited to data received and transmitted through the bulletin board service, database access service, flat file transfers, wireless applications and other internet related services.

e. "Services" means any or all, as the context requires, of the network services provided through DAGANG NET TECHNOLOGIES' network for the transmission, receipt and retrieval of Messages or any services provided by any third party for the transmission, receipt and retrieval of messages in connection with the Subscriber's trading activities and shall include additional services offered by DAGANG NET TECHNOLOGIES to the Subscriber from time to time.

f. Subscriber" means any sender/recipient/Member utilising the Services for the transmission, sending, receipt or retrieval of Messages.

g. "Trade Data Log" means the log or audit trail recording at any given time, the transaction or transmission pertaining to the Subscriber's trading activities.

h. "User ID/EDI Number" means a unique identification provided by DAGANG NET TECHNOLOGIES to the Subscriber or Member which enables the Subscriber or Member to access the Services.

i. "Member" means any organisation that is a member and participates in a Community System.

j. "Community System" means the network system established by DAGANG NET TECHNOLOGIES for any particular trading community on or through which any or all of the Subscribers transmit
